

## CORPORATE MEMBERSHIP

For each dollar a business spends on a well-crafted exercise program, it can expect to receive an average of about \$3 back, due to lower absenteeism and reduced health claims.

Source: 2009, Wellness Councils of America

At Fitness Rangers, individuals of all fitness levels are constantly challenged and given the opportunity to build a solid foundation for a healthy lifestyle. Our program can dramatically boost weight loss, help to develop tremendous core strength, increase endurance, and help push participants into a regimen that not only gives them fundamental tools or a healthier lifestyle but help them discover a love for fitness.

With our experienced and knowledgeable trainers, you and your staff will get the personal attention you don't always find at other facilities, with the convenience of an extensive class schedule (over 100 classes per week) and gym hours.

## CORPORATE MEMBERSHIP RATES

3+ employees to participate

- \$155/month - Unlimited access to all classes as well as gym access. (6 Month Contract)  
(Normally priced at \$185)

- \$50/month - waived initiation fee - Gym Membership. Access to gym.

Employers can also contribute all or some of the membership fees on behalf of their employees (i.e. employer pays \$100, employee pays \$55). This option applies to all rate levels.
